BACK-TO-BUSINESS!

Dynamic businesses like yours are what makes Clearwater such a great place to live, work, and play. AMPLIFY Clearwater is excited to connect you with the talented professionals in our area that can help you get back to business.

We are assembling a list of our preferred vendors to share with you to help reach your goals. In the meantime, let's learn a little more about you! We've gathered much of your basic information from your grant application, but given the times, we recognize that your needs may have changed since you first applied. Complete the following intake form so we can help you track how to put these funds to their best use and get you *Back-to-Business*.

Do you already have a selected vendor in mind?

If so, please provide their information below. All vendors must submit their information to AMPLIFY prior to rendering services.

Great news! A membership with AMPLIFY Clearwater can be funded through these grant resources. As the number one connector of business owners, we help our members increase visibility, access resources, influence key decision makers, and make better connections that save you time and money. We've attached a membership guide to this e-mail that tells you more.

Submit this completed information to Sydney@amplifyclearwater.com and we will be in touch to coordinate access to our network of professionals.
