# CLEARWATER YOUNG PROFESSIONALS

Clearwater Young Professionals is an initiative of AMPLIFY Clearwater designed for up and coming professionals. If you are young (or young at heart) and have a passion for mentoring and engaging in a youthful community, then CYP is great for you!

Our mission is to provide our members business, networking, and volunteer opportunities to support the career development of young professionals and contribute to the future of our community.

We thrive on providing an atmosphere for our young professionals to live, work and play in Clearwater. Membership is FREE for 3 years and gets you access to events, socials and forums throughout the year.
