AMPbassador Description:

AMPbassadors project a positive image for the company they represent and AMPLIFY Clearwater. They are an extension of the AMPLIFY team and, as such, perform a wide variety of duties in the Chamber. Their main functions are to help promote Chamber members and make AMPLIFY events successful and enjoyable for attendees. AMPbassadors are charged with extending the hand of friendship to both new and current members, greeting them with a hearty handshake and award-winning smile, making welcome calls or visits, assisting with ribbon cuttings, attending/assisting with Chamber events, meeting new people and visiting member businesses (i.e. getting to know the intricacies of their business, so that you can refer to them).
