## AMPLIFY Business Circles

---

AMPLIFY Business Circles is a resource group for entrepreneurs and leaders who want to turn meaningful community relationships into strategic partnerships for their business. The group meets twice monthly – one meeting and one mixer – and works collaboratively to advise and support all the businesses represented.

### MEETING

2nd Wednesday  
of every month

Master Minds meets on the 2nd Wednesday of every month at the AMPLIFY Clearwater office. Participants will take turns introducing their business in depth, and sharing a current issue or problem they are working to solve. The group will share resources, exchange ideas, and advise the presenter on possible solutions. *There will be 2 guest seats available for each meeting; these seats will accommodate Discover-level members and/or prospective members who wish to experience AMPLIFY Business Circles before they commit. They will be available on a first come, first serve basis.*

### MIXER

4th Wednesday  
of every month

On the 4th Wednesday of every month, the group will meet in a relaxed and informal setting to Mix and Mingle at the Clearwater Yacht Club. Additionally, the business who presented a problem at the Master Minds meeting the previous month will have a chance to share an update with other participants. AMPLIFY Business Circles mixers are only open to active group participants.
